### Lane Piercesisms – (1<sup>st</sup> one is serious, the rest is humorous)

A man's success has a lot to do with the kind of woman he chooses to have in his life.

When a clock is hungry, he goes back 4 seconds.

What do you call an illegally parked frog? Toad.

Why do some fish live in SALT water? Because PEPPER makes them sneeze.

The only thing Flat-earthers fear is sphere itself.

I wasn't planning on going for a run today ... but those cops came out of nowhere.

My wife laughed at me when I said I was going to build a car out of spaghetti.

You should have seen her face as I drive pasta.
