## **GRAND ENCAMPMENT OF KNIGHTS TEMPLAR**

Jeffrey N. Nelson, *Most Eminent Grand Master*  
3112 Tyler Parkway  
Bismarck, North Dakota 58503

Lawrence Eugene Tucker, *Right Eminent Grand Recorder*  
5909 West Loop South, Suite 495  
Bellaire, Texas 77401

### **GENERAL ORDER NO. 14**

#### **REOPENING TEMPLARY 2021**

**November 1, 2020**

*To all Grand Commanderies and Subordinate Commanderies within the Jurisdiction of, and holding Allegiance to, the Grand Encampment of Knights Templar.*

#### **GREETINGS:**

Your Grand Encampment Officers acted early and decisively to address the COVID 19 pandemic. However, with the passage of time, it is now evident that the pandemic is not subsiding. We have met regularly to reassess the situation and have made the decision to commence the process of reopening our Asylums utilizing virtual meeting technology, implementing phased opening criteria, and adhering to strict safety protocols. Sir Knights, as we begin the process of reopening our Asylums, we face many unique challenges. Most significant of these is the demographic make-up of our membership. "Vulnerable Individuals" is a key concept in the Federal Guidelines and the term is referenced many times when implementing the different phases of the recovery process. The criteria that are used when determining a Vulnerable Individual include:

1. Elderly individuals (age 65 and over); and
2. Individuals with serious, underlying health conditions, including high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune system is compromised such as by chemotherapy for cancer and other conditions requiring such therapy.

As you are doubtless aware, we have a very significant number of Sir Knights and our Ladies who fall into either or both categories. In the Grand Encampment, the average age of our members is 67.4 years. Many of our Sir Knights and Ladies are considered extremely vulnerable.

Each of our Sir Knights is asked to honestly assess his individual risk factors and make an informed decision about his participation in upcoming Commandery events. There are a number of options that will be implemented as we resume our activities, including social distancing, sanitizing, and Personal Protective Equipment (PPE) protocols. We will, at all times, comply with applicable recommendations and requirements from public health authorities. How and under what conditions your Sir Knights participate in our activities will be entirely up to each individual.

Under no circumstances should a Sir Knight feel pressured to participate in any Commandery activity at any level. On the contrary, he is urged to not participate in any activity which he feels may compromise his health OR that of a family member or anyone else with whom he may come into regular contact. If a Sir Knight does not feel comfortable attending a Commandery function, he is requested to stay home with our complete understanding.

We all look forward to getting back together and resuming the practice of Christian Knighthood. The reopening process will no doubt be fraught, and I fully expect that, due to changing conditions in your State or locality, it may be necessary to pause reopening or even to close down again. Thus, we have designed our reopening plans in such a way that, as long as you comply with Federal, State, Masonic, and local protocols, you will be able to proceed as prudence dictates. Honestly assess your risks and vulnerabilities and then make your own determination as to how your Commanderies participate in each phase of the reopening process. A return to "normalcy" may take us into the next Triennium; we will not rush this process, as health and safety must always be paramount in our decisions.

The attached *Reopening Templary 2021 Safety Protocols, Virtual Meeting Guidelines, and Phased-Opening Criteria* are incorporated into, and form an integral part of, this General Order as if fully set forth herein.

This supersedes General Order No. 12 of the fourth day of May, last, in its entirety. The preceding sentence notwithstanding, I authorize the Grand Commander or his designee to convene the Stated and any Special Conclave of his Grand Commandery by means of teleconference or webcast, provided that the necessary facilities are widely available to the members of the Grand Commandery and the Stated or Special Conclave be conducted in full compliance with the requirements of Sections 37 through 39 of the Grand Encampment Constitution. If the Conclave is convened in person, facilities shall be available to accommodate remote attendance by teleconference or webcast.

In addition, I do hereby waive the requirement of Section 65 (a) of the Constitution, and authorize the Commander of a Constituent Commandery within each Grand Commandery to convene a Stated or Special Conclave by means of teleconference or webcast, provided that the necessary facilities are widely available to the members of the Constituent Commandery and the Stated or Special Conclave be conducted in full compliance with the requirements of Sections 65 and 66 of the Grand Encampment Constitution. Commanders of Subordinate Commanderies enjoy the same discretion.

No ritual shall be performed and no Orders be conferred during any such telephonic or webcast Conclave.

This General Order shall be read at the first Conclave of each Constituent or Subordinate Commandery following its receipt.

Given under my hand and seal of the Grand Encampment of Knights Templar of the United States of America at Bismarck, North Dakota, this first day of November 2020, A.O. 902.

Courteously,

A handwritten signature in black ink, appearing to read "Jeffrey N. Nelson". The signature is written in a cursive style with a long horizontal stroke at the end.

## **Prelate's Message – A GREATER PURPOSE**

Worth Commandery No. 19

December 24, 2020

Christmas is upon us once again. It is normally a time of great joy and celebration, a time for enjoying the company of family and friends, a time for rest and relaxation.

But this Christmas season is different in so many respects, with significant changes to the world we live in. For some it has simply been a year of inconvenience over the loss of personal freedoms. For others it has been a year of angst and anxiety for their health and welfare. Others have experienced a loss of security and livelihood. For far too many it has marked a time of personal suffering or the loss of loved ones.

In times such as these it is important that we remember the true meaning of Christmas. To do so we must look beyond the simple tradition of celebrating our Lord's birth on a given date. Christmas is a time for a new covenant. It is a time for renewal, a time for recommitment, a time to remember the greater purpose for which we, as Christians, were placed upon this earth and granted the gift of salvation through the life and sacrifice of our Lord and Savior.

On this date our Lord humbled Himself to be born of a woman and endure the pains and sorrows incident to human life. His road was not an easy one. All manner of trials and tribulations were placed in His path, from the moment of His birth in a humble stable, until His cruel and ignominious death on the cross. Pain and suffering were very much known to Him during His brief years among us. Such is the human experience. Yet our Lord understood that all things upon this earth, both happy and sad, happen at the will of our Father in heaven. He knew that our Father's greater purpose is often hidden from us but we can always rest assured that all earthly events happen according to His plan.

Throughout His life our Lord endured and triumphed because His eyes were continually on His Father in heaven. As one with the Father, He bore full well an understanding of His Father's greater plan. He knew that all things upon this earth, both good and bad, are placed before us to prepare us to stand before that glorious throne and hear those joyous words, "Well done, thou good and faithful servant".

This is our purpose on this earth and we must never forget it. Regardless of what the world puts in our path we must always remember that our greater purpose is to prepare that inner temple for God's eternal praise, and to aid our fellow man to do so by living a life that allows His light to shine through us.

May the Lord bless and keep you. Always keep your eyes on our Father in heaven and remember that everything happens for His greater purpose.

# Texas Masonic Retirement Center

*Your life. Even better.*

**The No Mason Left Behind Project helps provide comfortable and safe accommodations for older Texas Masons & their loved ones at Texas Masonic Retirement Center--ALWAYS.**

Your personal donation and contributions from Masonic organizations make a tremendous difference for those who may be facing desperate poverty, unsafe living conditions, or other difficult choices.

To help you understand the tremendous difference you make by supporting the No Mason Left Behind Project at Texas Masonic Retirement Center, we share the stories of our residents, with names changed to protect their privacy.

## **Health Challenges & Retirement Fund Shortage – Gene’s Story**

At age 76, Gene’s bright optimistic grin and twinkling eyes make him a popular resident at Texas Masonic Retirement Center. In spite of serious health issues including high blood pressure, diabetes and balance problems due to neuropathy, Gene exclaims, *“It’s great to be a Mason!”*

## **Rising Rent, Dwindling Savings, & Serious Medical Issues – Richard & Alice's Story**

Every year the rent went up, but their income didn't go up. Just as things were looking up, Alice suffered a head injury and lay in a coma for four days, followed by four months of rehab in TMRC's Nursing Care Area. At the same time, Richard's problems with diabetes, kidney failure, and heart issues worsened.

## **Amputated Leg, 20 Surgeries, & Caregiver Death - Steve's Story**

In May 2017, Steve, 55, woke up alone in a Fort Worth hospital after surgery to amputate his right leg above the knee. Only four days before, he faced the loss of his caregiver and living arrangements when his cousin suffered a fatal stroke.

## **Facing Lung Cancer & Loneliness After a Life of Missionary Service - Anita's Story**

Feeling alone and invisible in a small apartment in Houston, Anita, age 74, also faced serious health problems. Over the coming months she would be diagnosed with lung cancer that had spread to her bones.

## **Alzheimer's Disease & Loss of Vision Isolated & Diminished Their Lives – Ben & Anna's Story**

"Our lives were getting really difficult. I was 84 and Anna was 82. She had been diagnosed with Alzheimer's Disease and that meant she really depended on me. Because my vision was failing, I couldn't drive and I couldn't pay our bills without someone helping me."

## **Costs of Caring for Terminally Ill Wife Wiped Out Savings – Martin's Story**

Martin quit his full-time job and took part-time positions to care for his terminally ill wife, Betsy. Even with insurance, the costs were overwhelming. In the five years prior to Betsy's death, bills resulting from her catastrophic medical conditions wiped out their savings.

## **Home Repairs & Taxes Overwhelmed Ruth Ann's Tight Budget**

Expenses were mounting for Ruth Ann Goodman, age 84. Her home outside Conroe, Texas, had problems. A new roof was needed, major plumbing repairs were called for, and now the local city authorities were talking about annexing her property. She spent hours creating embroidered table linens, handcrafted quilts, and monogrammed clothing to sell, in an effort to help make ends meet, but, her sewing income was not going to offset these daunting new financial challenges.

The No Mason Left Behind Project continues a legacy built on more than 100 years of generosity from Texas Masons. For more than a century, your donations have helped provide a safe haven for older Masons in need and their loved ones at Texas Masonic Retirement Center.

As all generations live longer, you can expect the need for charitable care services to continue to rise. Your support helps provide all-inclusive 24-hours-a-day/7-days-a-week accommodations at Texas Masonic Retirement Center, including medical services and nursing care. The cost of these benefits exceeds \$2.5 million annually.
